## **SOUTH AFRICA PILGRIMAGE**

*Journey to South Africa and  
Convocation of the Masters*

*April 27 – May 7, 2009*

### ***A Turning of the Tide for the Continent of Africa!***

**Join this sacred pilgrimage** to anchor the light in South Africa towards the “full and final freedom of every soul in Africa.” On April 2, 2005, Ascended Master Afra said: “...we desire to see three major Hearts Centers upon the African continent, one in South Africa, one in western Africa and one in northeastern Africa and when these are established, a grid of fire will go forth to stabilize that continent for the salvation of the souls there.”

Beloved Afra reminded us on April 2, 2008 of the request of the Master Saint Germain, “to step upon the soil of that continent...for if we are to have the turning of the tide, then some among you must be the ones who will deliver the very ray and fire of the seventh ray action of light unto the nations of Africa....And I deliver into the very subcontinent of the Middle East, a whirling action of the sacred fire, directly from my heart to consume the records of war and infamy of that which has been outpictured through the reincarnation of the Sumerians, the Babylonians, and those who have not forgiven their brothers and sisters, but who languish in the realms of darkness in their auras....And so we

say, when you go and step upon that continent, turn to the east and to the north, depending on where you will reside, and anchor the light and send forth that fire into the Middle East, for blessed ones, we must have the turning of the tide.”

On November 1, 2008, Saint Germain, after Afra’s Ascension Day address said, “I step forth also and place my presence within the very heart of Africa this night and lend the energies of my causal body on behalf of a new wave of freedom that may begin to coalesce, in form, for the victory of light upon this continent.. **and I, Saint Germain, say unto you that I require a certain 24 and preferably a 33 souls to come forth and declare to Arcturus and Victoria that they will partake of the energies of the spirit and make themselves available for the Lord God for this sacred work that will occur during this pilgrimage....I come to tell you of our plans to continue this rolling momentum of light, and to anchor that light in South Africa whereby there will be the second dot in the three manifest in the south, and the line drawn from Luxor and Cairo to Johannesburg and Cape Town and Pretoria, and a greater manifestation of solar awareness and beingness anchored within that nation for the accomplishment of the purposes of the Universal Brotherhood of Light, toward the day of the full and final freedom of every soul within that continent.”**

## International Flights

Each heartfriend is expected to book their air flights to and from South Africa. We have looked into several options and Delta provides service to both Johannesburg and Cape Town. Many of our heartfriends will be traveling on Delta and will arrive in Johannesburg on April 28, 2009 around 4:40 p.m. It is recommended that you book through one airline for your entire trip to eliminate the need to pick up and recheck baggage on an international flight.

## Luggage

You may check one bag (maximum of 50 pounds) on this pilgrimage. You may carry on a personal item plus one carry-on piece of luggage. Please remember that you will be responsible for carrying your own bags, so be mindful of how much luggage you bring.

## Passport

The first item to consider for this pilgrimage is your passport. Passports must be valid for at least 30 days beyond the period of intended stay. An onward or return ticket is required, as well as sufficient funds and documents needed for further travel. Note that visitors to South Africa must have at least **two** blank (unstamped) pages in their passport each time entry is sought. These blank pages are in addition to the endorsement/amendment pages at the back of the passport.

### Visa

A visa is not required for U.S. or Canadian citizens visiting South Africa. If you have a passport issued from another country, please check the requirements at [www.home-affairs.gov.za/visas.asp](http://www.home-affairs.gov.za/visas.asp).

### Lodging

We will be staying at 4-star hotels in Johannesburg and Cape Town.

### Immunizations

There are no immunizations required by U.S. or Canadian citizens traveling to South Africa.

### Cancellation

A pilgrimage such as this one to South Africa typically requires a substantial deposit many months prior to departure. The Hearts Center is attempting to make this pilgrimage available to as many heartfriends as possible; therefore, the deposits are minimal and payment due dates are firm as they are when the money is due to the hotels. Thus, if an unfortunate situation necessitates your canceling your reservation after your payments are made, the likelihood of The Hearts Center returning your money is minimal. The Hearts Center will work with you, but can unfortunately make no guarantees on refunds. For this reason, we generally require that all travelers secure "trip cancellation insurance." We will provide detailed information regarding trip cancellation insurance in a subsequent letter.

### Secure your space

Your advance reservation guarantees your space on this pilgrimage. It will also set the matrix for your alchemy. ***Please make your reservation as early as possible and definitely before February 8.***
