Airfare Information

To help you estimate your airfare, if your city does not have direct flights to Santiago, check with Delta and consider meeting us in **Atlanta on Wednesday, October 6 to depart for Chile at 10:00pm on Delta's flight 147 arriving in Santiago 7:35am** on Thursday morning.

Airport information

- **Santiago (SCL) (Arturo Merino Benitez)** ([www.aeropuertოსantiago.cl](http://www.aeropuertোসantiago.cl)). The airport is 21km (11 miles) northwest of Santiago (journey time - 30 minutes).

IMPORTANT VISA INFORMATION

- **Good news: a Chile tourist visa is not required for U.S. citizens** traveling to Chile for recreation, on business or to attend conferences for a stay of up to 90 days. **There is a reciprocity fee of US \$131 that must be paid upon arrival** or entrance to Chile. Payment can be made in U.S. currency or by credit card.
- **Check the current validity of your passport.**
All travelers will need a passport valid for at least 90 days following your departure date from Chile (October 14, 2010). However, we strongly recommend traveling with 6 months validity on your passport at all times. Here is one of many services to assist U.S. citizens with a full range of expedited passport services, including new passport application and passport renewal.
- **Make sure your passport has blank Visa pages.**
Chile requires you have adequate un-used pages in your passport, allowing for any necessary stamps upon arrival and departure. Have at least two free pages in Visas section of your passport. U.S. citizens can go here to get extra passport pages added to their passports as fast as within 24 hours.
