

**A Sacred Journey to Peru and Lake Titicaca:
The Torch of Illumination is Passed—**

**Witness the Transfer of a Great Mantle of Light from the
Sun to the Earth**

December 14-21, 2012

In the name of Alpha and Omega and the Spirit of the Andes, we call to Lady Kristine, Cosmos, Cuzco, Saint Germain, Jesus, Amazonia and Clara Louise Kieninger to provide unlimited abundance, protection and angel escorts to all souls called to attend our pilgrimage to Lake Titicaca in Peru. We join Lord Zadkiel and Holy Amethyst in a cosmic clearance of the soul of South America.

We invoke a mighty solar sphere of fire and legions of blue flame angels for the protection of David and Mona Lewis, our tour guide Junia Imel, all pilgrims and staff, and all A.V. and other equipment. We affirm optimum weather conditions; clean, comfortable accommodations and meeting facilities; and healthy, delicious food. All travel arrangements are made with ease and all travel is on time. Our pilgrims are kept safe and have the strength, endurance and stamina required for this sacred journey.

Beloved God of Gold, Buddha of the Golden Ray and Guardian of the Golden City of Light, expand the power of protection for our mission fulfilled. Beloved Padre Pio, Sanat Kumara, Lady Master Venus, El Morya, the Great Divine Director, Surya, Fortuna and Mother Mary, overshadow us as we experience the dawn of Aquarian Freedom at the sacred site of Machu Picchu.

Beloved Archangel Michael and Mighty Victory, guard and guide our Meru University Course 1208, *Teacher Training of Solar Initiates*, on December 20th at Lake Titicaca. Let there be a great influx of solar light from the heart of Helios and Vesta on December 21st for the full investiture ceremony of the transfer of the mantle from the God and Goddess Meru to Lanello and Clare de Lis. We prepare our consciousness for a direct transfusion of light to our minds and hearts as we each receive a portion of their mantle as their disciples.

May God's perfect will, wisdom and love be fulfilled every step of the way on our pilgrimage!

We accept the Torch of Illumination for a world! (3x)
